ket continues in full force. The payment of all debts both public and ket continues in full force. The committee on coinage have formulated a bill relative to the coinage of silver that will partially relieve the present strait. The bill, however, does not meet the approval of the silver kings who want the committee to adopt the measure proposed by Secretary Windom. The Republicans promised the people better times, and they are getting it with a vengeance.

The committee on Rivers and Harbors have agreed upon an approximate and mechanical profile and the setting of silver and provided the continues to adopt the measure proposed by the continues and they are getting it with a vengeance.

The committee on Rivers and Harbors have agreed upon an approximate and the setting of the committee that the setting is the set of the same three of mineral development agricultural and mechanical productions and imposing such penalties as shall secure the most perfect complications are with the law.

The committee on Rivers and Harbors have agreed upon an approximate and an ecceptable to the coinage of a large city, is in the same line of mineral development and Middlesborough, in the same line of mineral development with Pineville and Middlesborough, in the same line of mineral development and Middlesborough, in the sery midst of similar wealth of mineral resources, that have in connection with Pineville and Middlesborough, in the sery midst of similar wealth of mineral resources, that have in connection with Pineville and Middlesborough, in the sery midst of similar wealth of mineral resources, that have in connection with Pineville and Middlesborough, in the same line of mineral development at the same line of mineral development with Pineville and Middlesborough, in the sery midst of similar wealth of mineral resources, that have in connection since a success of sinks as shall secure the most perfect complications are with the same line of mineral development and Middlesborough, in the sery midst of similar wealth of mineral resources, that have in connection to the serving and mineral resou

The committee on Rivers and Harbors have agreed upon an appropriation of \$25,000 for Rough river. The text of the appropriating clause is: "Improving Rough river, Keniucky, twenty five thousand dollars, to be expended in procuring the necessary land, commencing the company land, commencing the company and postructions of a lock and dum and removing obstructions in the river from the mouth to Hartford, Keniucky, on the least expensive estimate reckoned by Captain James C. Post corps of engineers, in his report of January twenty-seventh, eighteen hundred eighty-five." Mr. Montagement hand the company are now erecting the description, are being the final and show held by railroads and of the same as in their power to sample of the successory special and necessory land, commencing the company are now erecting twenty dwellings, a large store house and a handsome twenty-room hotel. Stores, offices, cottages, structures of the Heratzo seems to be invincible on the prize question. Take his illustration, and a handsome twenty-room hotel. Stores, offices, cottages, structures of the same school. One studies well only when there is a prize two boys in the same school. One studies well only when there is a prize overy size and description, are being two boys in the same school. One of the completion, while the Lambidge the same and the town with might and main streets, avenues and roads are being until shape in all directions and the face of nature for a considerable dispatch of the constitute a heavy burden upon the working people, at Deanefield. There is an urgent demand for a hundred of these houses to-day, and this defined and the constitute a heavy burden upon the working people, at Deanefield. There is an urgent demand for a hundred of these houses to-day, and this defined and induces him to "study well," so well indiced that he now commars him with the brightest pewel in the school. Braves of another.

The Land Company are now erectains, the study below the them the completion, while the Landson the them the subdet appropriation, and his action is a good thing for Ohio county. If freight can be brought to the center Va. They were resisting arrest, of the county for ten cents per hunwhen they were fired on by a sheriff's dred-as it has been done this spring -and produce shipped out at cor responding prices, the great benefit is evident. Those desiring to contract their logs are hereby notified that I am an authorized agent of Clemens Reitz, of Evanstion.

He leaves a wife and six children, all ill at present in various stages of measles. Quite a lattice and the sale of t tion.

15. And we demand of our represensatives a law allowing witnesses and jurors the same for testifying and swearing as jurors in the Lower Courts that are allowed in the Higher Courts. There ought not to be compulsion without compensation.

16. That a copy of these resolutions be forwarded to each of our Senators and members of the House of Representatives of State of Kentucky now assembled at Washington, also a copy of same be sent to each of the papers published in the county, and a copy to the Courier-Journal at Louisville.

S. J. Baker, President.

Vivian Fericuson, Secretary.

In lowing the measies. He kare wife and six children, all ill at present in various stages of measles. Quite a sad affliction. Mr. Paxton had filled his sphere in life work, bereft in childhood of his father, and having no brothers, he was compelled to fight bravely the battle of life. But with the aid of a good mother and kind sisters, he succeeded well. He was our school-mate in youth, and friend through life. Kindly we will remember him.

Miss Sallie Brown, daughter of Mr. and Mrs. Albert Brown, and a very estimable young lady, died at her home lift in the Courter-Journal at Louisville.

S. J. Baker, President.

He dath section with a sad filled in various stages of measles. He function with a sad affliction. Mr. Paxton had filled his sphere in life well. Ardent, faithful sad earnest in his life work, bereft in the lift. The will sphere in life well. Ardent, faithful sad earnest in his life well. Ardent fill sad earn When you come to town don't forget that Yeiser & Miller can be found at their new stand on corner of Union and Market Streets, opposite the Hartford House. They are willing and ready to give your horse a good round feed as cheap as the cheapest. They also keep a complete line of first-class livery at most reasonable rates. Special attention given to orders placed by traveling salesmen. Good teams and safe drivers furnished at all hours, day or night.

1) miles south east of this place on the 11th inst. Her death was the result of relapse of measles. Her funeral was relaise of measles. Her funeral was preached at the Baptist Church at this place on Saturday following by Rev. Little Sallie Moorman, of this place, who has had a long and severe spell of E. M. Crowe, after which she was buried who oping cough and bronchitts is about E. M. Crowe, after which she was buried in the church cemetery. She was a consistent member of the Methodist church at Liberty and was loved by all who knew her.

who knew her.

who crowe, after which she was buried in the church again.

Dr. H. F. Bean has his house so nearly completed that he has moved in, and it adds much to the appearance of the

consistent member of the Methodist church at Liberty and was loved by all who knew her.

A little son of Mr. and Mrs. Elvis Barrett died on Thursday last at the residence of Mr. S. M. Dexter and was buried the following day after the funeral services by Rev. E. M. Crowe. The parents have the sympathy of many friends in their bereavement.

Mrs. Charlotte Shultz, wife of B. M. Shultz, died at her home near Prentice on Saturday last, after a protracted and severe illuess, and was buried yesterday at the Shultz cemetery; also on yesterday, were buried in the Providence cemetery near Prentice, Mrs. W. T. Hobdy and a little child of Mr. Jas. A. Fulkerson. Just two weeks ago, Mr. Falkerson buried his wife, and now his child. Sad indeed is his bereavement.

Sickness is abating and the measles has perhaps about run its course in the district where it has been so prevalent.

RUBAL.

Don't Feel Well.

And yet you are not sick enough to consult a doctor, or you refrain from so doing for fear you will alarm yourself and friends—we will tell you just what you need. It is Hood's Sarsaparilla, which will lift you out of that uncertain.

Mai. Crumbanek Buys Elkwood.

Dr. H. F. Bean has his house so nearful adds much to the appearance of the pleace.

For Sale!

Sextus V. was Only a Swineherder and Sextus V. Became a Pope.

WESTVIEW was only a cornfield six nonths ago, and WESTVIEW is now the handsomest suburb around Owensboro. "Gay birds roost high." WESTVIEW is on the highest limb of the tallest tree.

Imitation is the most sincere flattery; the woods are full of imitators of Westview but so far they are, comparatively speaking, as the oldfashioned tallow-dip to a 1,000 candle power electric light. But as Mrs. Malaprop would say, "Comparisons are odorous." The completeness of finish, conve-

nience, luxury and comfort without extravagance, nearness to the city, in fact, everything that makes home a pleasure, and life worth the living. Westview stands peerless in this vicinity.

"The longest pole gathers the persimmons all the time. When you buy in WESTVIEW, you

are buying the best there is to be had. See it and this statement becomes a self evident fact. It is the really choice suburb of Owensboro.

It is convenient and accessible. Its improvements are of the highest order-in fact, they are complete. There is no occasion to be "shy of this property.
"It's all right."

Westview is a pushing, driving suburb, and has behind it a pushing. driving real estate firm, who don't

think anything too good for it.

WESTVIEW is no longer the "Coming Suburb." It has arrived.

"The early bird gets the best bait." Now is the time to buy.

Real estate in Owensboro is a choice investment, and Westview is the

best of the choice—best in every-thing; best location, best improve-ments, best neighborhood, best streets, best shade—in fact, nothing but the best. It's a "Lulu."

It is unsurpassed and unsurpassa-ble; 'tis indescribable, too—cold type can't do it justice. Ocular inspec-tion is what's needed to fully appre-Other suburban property falls into

insignificance compared to WEST-VIEW. You haven't seen WESTVIEW, and probably you don't believe this.

Therefore, we say, see it.

As Mr. Jobling said to Mr. Guppy, "What a man thinks before dinner is one thing, and what he thinks after dinner is another thing."
What you think before you see this

property is one thing, and what you think after you see it will be to buy.

Buy a lot in Westview.

The days are gliding swiftly by and soon the chance will be lost.
